

United Way Suncoast Partner Agencies

It takes a collective effort to create community-wide solutions.

LIVE UNITED

United Way Suncoast

United Way provides:

- ▶ Leadership and staffing to organize resources and service as a bridge between partners.
- ▶ Financial support to partner agencies for programs aligned with our strategic goals of early literacy, youth success, financial stability and support in a crisis.
- ▶ Direct service delivery.

Partner Agencies provide detailed reporting that is reviewed annually by United Way staff and Volunteer Committee members to ensure programs continue to deliver high quality results.

*Alone we can do so little,
together we can do so much.*
