We think we have to #hustleharder or constantly #riseandgrind to achieve our career goals. The truth is, sometimes, we need a little help along the way from peers and leaders to reach success.

This session is ideal for those that are driving hard toward their objective, as well as those who may not yet have clearly defined professional goals, and those who feel like they are just coasting and need a kick start. Our esteemed panel will cover topics that include:

- What are some strategies to ask for a raise or promotion?
- How can I get experience for the role I want, when my current role doesn't provide the opportunity?
- What are some strategies to building and nurturing an effective professional network? (Without spending a lot of time.)
- Where can I find a mentor, advocate or sponsor? What should I expect from that relationship and what will they expect from me?
- Is work-life balance really possible if I'm trying to achieve success at work?

Join us for lunch, networking with other community-minded professionals, and engaging conversation to help build your professional skill and achieve your individual goals.

United Way Suncoast Young Leaders' Society (YLS) fosters the participation, commitment and growth of philanthropic-focused professionals with a special focus on adult financial stability issues. **For more information or to become a YLS member, please contact YLS@uwsuncoast.org**

Hosted by

FEATURED SPEAKERS:

As a leadership coach, **Kevin M. Schmid** (*Public Sector ISV Alliances Manager and Leadership Coach, Intel Corporation*) works to understand his client's issues or concerns from many different perspectives. Kevin specializes in career coaching, work/life integration, building individual capacity for peak performance, dealing with your inner critic/judge, having difficult conversations and building emotional intelligence.

Vikki Dingman (*Vice President Business Development, Lee Hecht Harrison*) has put her passion for unleashing great talent to work throughout her career which has included career consulting, executive coaching, operations, human resources, and talent acquisition and development throughout Florida and across the southeastern United States in a number of industry verticals.

Through personal drive, hard work and the support of her network of mentors, coaches and sponsors, **Christy Rolland** (*Indirect Tax Partner, Ernst & Young*) achieved a significant professional goal when she became a tax partner at EY. Today she pays it forward by serving as a mentor to others at her firm, as well as providing state and local tax advisory services to companies in a wide variety of industries.

GIVE. ADVOCATE. VOLUNTEER.
