

ALICE Community Challenges & Change Forum

Join USF and United Way Suncoast for a stimulating discussion on the complex challenges facing Asset Limited, Income Constrained, Employed (ALICE) Communities. Speakers include experts in affordable housing, food security, health, and public policy, as well as the Florida ALICE Report. Understanding how these issues affect our community is the first step to achieving lasting change.

THURSDAY, SEPTEMBER 5, 2019 2:00 - 4:00PM
Arthenia L. Joyner University Area Community Library

Speakers:

Douglas Griesenauer, United Way Suncoast
David Himmelgreen, USF Department of Anthropology
Allison Nguyen, Florida Department of Health Office of Health Equity
Stu Rogel, Graylan Ventures
Elizabeth Strom, USF School of Public Affairs
