

United Way Suncoast's Saving For Stability transportation initiative makes a world of difference in elevating the lives of its participants. Just ask Jean Massey.

Massey beamed when she saved enough for a down payment on a car with the help of UWS and program partner Suncoast Credit Union. She saved \$1,750 and Suncoast matched the amount. The program also includes a coach to boost her financial literacy.

Now Jean has access to reliable transportation and an easier way to get to work and the grocery store. That moves her one step closer to financial stability, and it gives her the freedom to rise.
