

## ACE Grant Application Questions (for submission)

Organizations must submit basic contact and mission information, as well as proof of 501c3 status before responding to the application questions.

### General questions

1. In what counties within the Suncoast region are you active?
2. In which priority school zones or ZIP codes do you provide service? Please see this list to make your selection.
3. Describe the communities you serve and the outcomes you help community members to achieve.
4. What is the most recently recorded annual revenue for your organization?

### ACE-Specific Questions

5. What is the amount requested for ACE grant funding?
6. What will grant funds be used for? Describe the items or activities, including known costs, as well as the people who will directly benefit from those items and activities.
7. What is the estimated time for making use of the funds and reporting back the initial impact? Grantees have up to 18 months from the date of award to complete this process.
8. How will grant funds allow you to be innovative or expand current innovative practices?
9. How will grant funds help you to create access, build capacity, and/or ensure equity for your organization and ALICE families?

## ACE Grant Reporting Questions (for completion of grants awarded)

Organizations will be requested to submit any media (photos, products, videos) as supplemental and optional information.

### General questions

1. Confirm the items or activities that were secured as result of ACE grant funding. Please include the number of people (staff, volunteers, or community members) directly impacted to date.
2. What barriers were reduced and what opportunities were created as a result of those items or activities?
3. How was innovation supported at your organization?
4. What next steps will you take or plan to take to create access, build capacity, and/or ensure equity for your organization and ALICE families?
5. How did this grant prepare you to take those next steps?
6. What else would you like us to know?
